

How to find us

Milton Park is located near Didcot close to the A34.

By car

At the Milton interchange on the A34

If leaving the A34 from the north, stay in the left hand lane to go onto the Milton Park access road.

From the south take the third exit onto The Park. Follow this road round onto the Park over a narrow bridge. At the first roundabout, go straight over. At the second roundabout go straight over. After a short distance you will see on the right No. 100 and a UPS Depot on the left. Take the next turning on the left directly after the depot, you will see building number 127 on the corner (please note that there are three buildings numbered 127 north, west & east!) drive approx. 150 meters take a right turn & we are the yellow building on the left.

By train

Didcot Parkway is five minutes by bus from Milton Park, and can be reached by regular shuttle bus service. Didcot Parkway provides frequent and fast connections to London Paddington (only 45 minutes journey time), Oxford, Bristol and the west of England. The Heathrow Express leaves from Paddington every quarter hour to make the 15 minute journey to London Heathrow airport.

By local or shuttle bus from Didcot Parkway railway station

Local buses run regular services throughout the day & shuttle buses are available during peak commuting times to and from Milton Park & the station.
